```

The diagram illustrates a file dependency structure. At the top is a grey box representing a header file: C:/Users/kemik/git/lvgl\_t113/source/img/Bluetuth\_OFF.h. Below it are two white boxes representing source files. The left box is C:/Users/kemik/git/lvgl\_t113/page/home\_page.c, and the right box is C:/Users/kemik/git/lvgl\_t113/source/img/Bluetuth\_OFF.c. Two blue arrows point from the bottom of each source file box to the bottom of the header file box, indicating that both source files include this header.
